Subject: Utility Request Information, Norbridge/Strobridge Extension

Dear Mr. Ng:

Thank you for notifying the Castro Valley Sanitary District (CVSan) of the County plans to extend Strobridge Avenue in Castro Valley. Per your request for information, I have attached copies of our base map. These show approximate locations of our facilities in the area of the proposed work. We have no facilities within the area of the extension, though there are some within the boundary of the project.

If you have any questions, please do not hesitate to contact me. I can be reached at 510-537-0757 ext. 127 or via email at melody@cvsan.org.

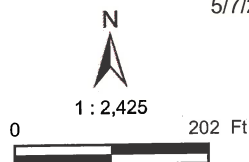

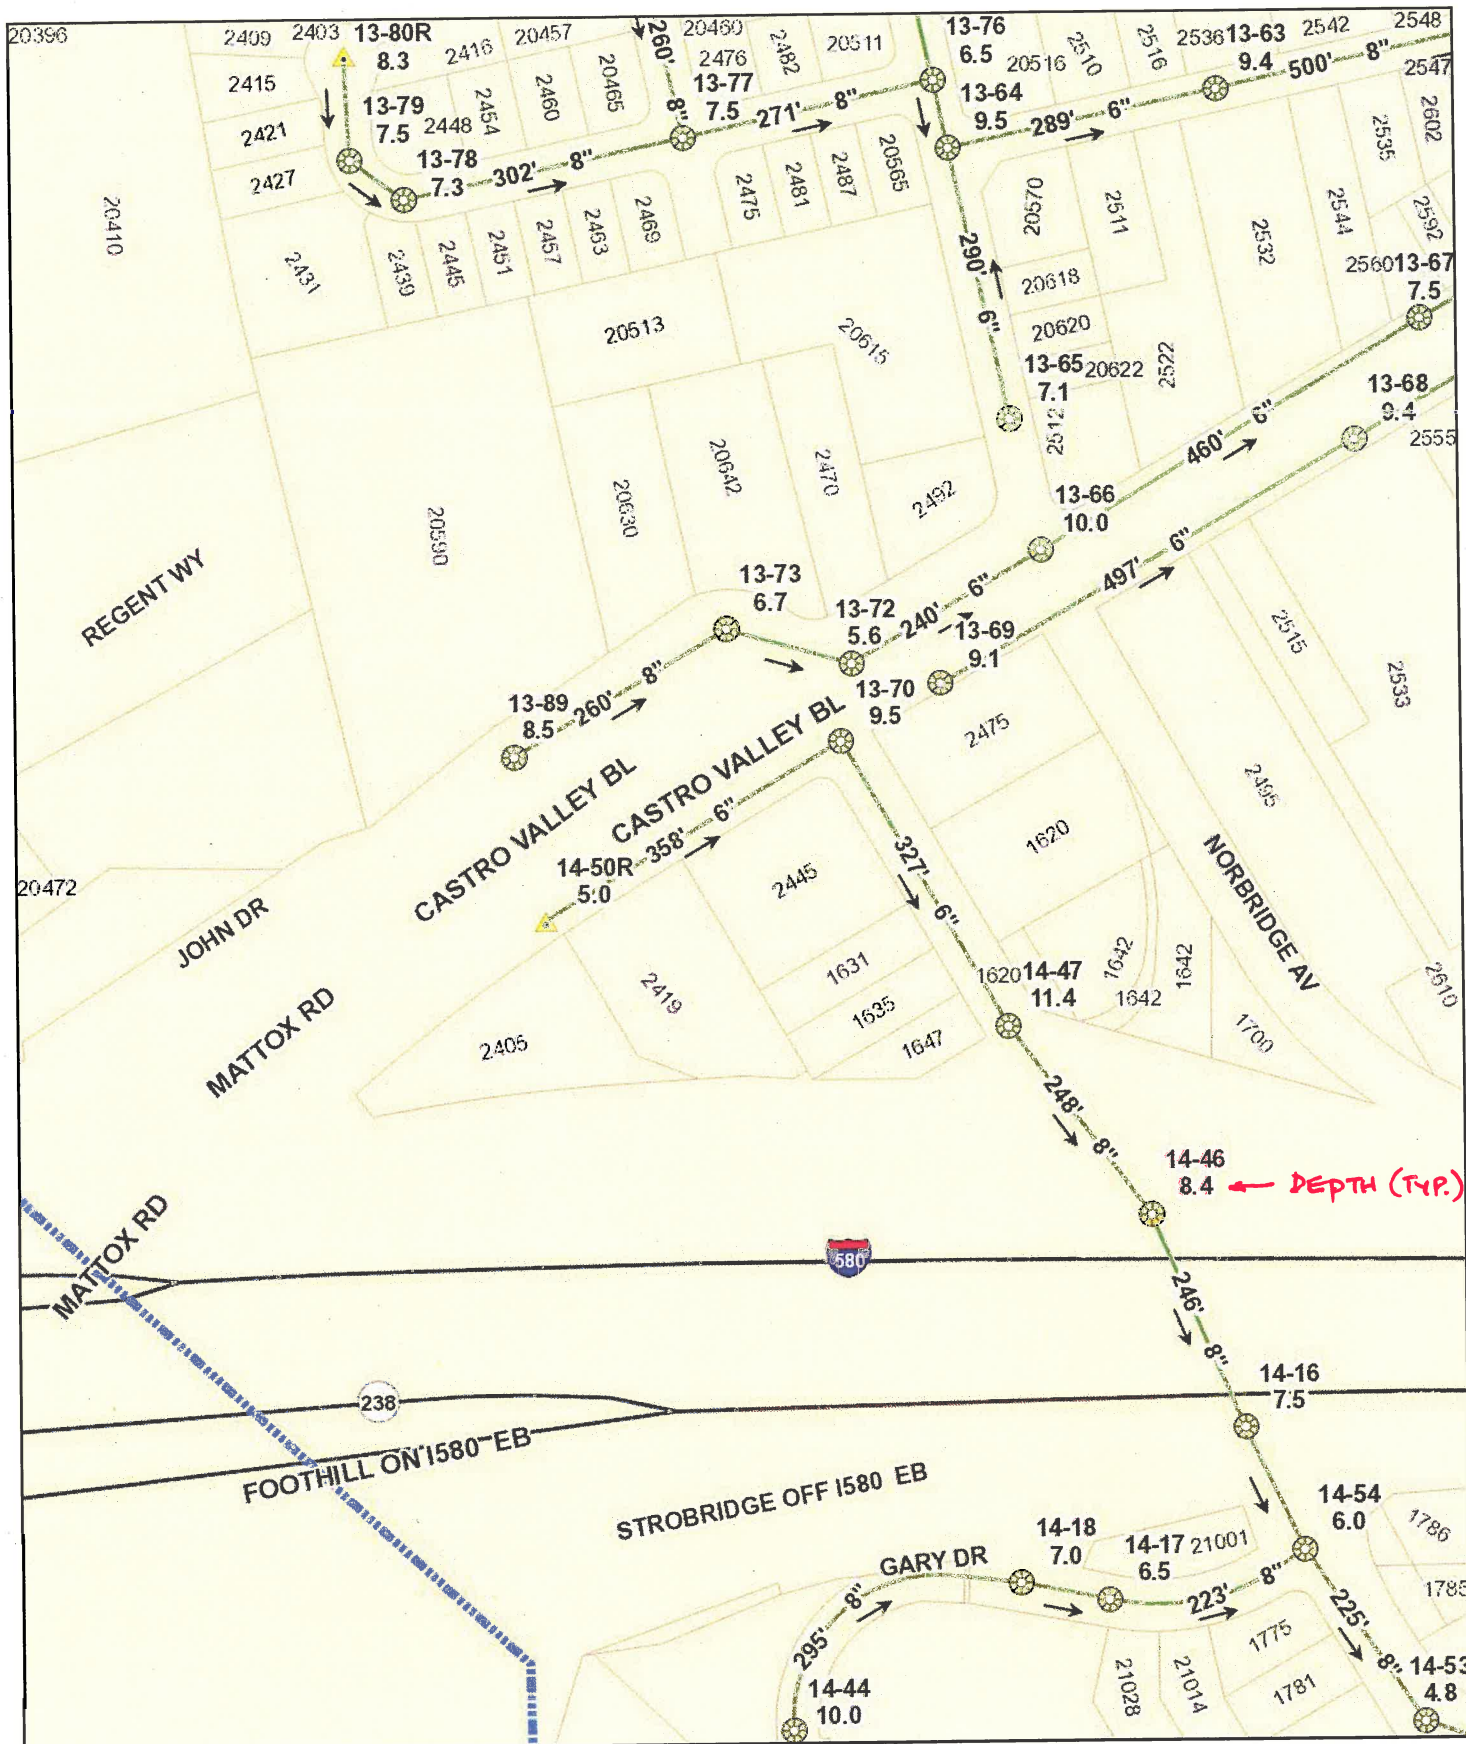

Kind regards,
